Our brands

ALMOST A DECADE OF TRADITION AND TECHNOLOGY

WE HAVE IMPLEMENTED THE INOVATION IN OUR MANUFACTURING PROCESSES, IMPROVING THE QUALITY AND KEEPING THE ESSENCE OF EACH ONE OF OUR PRODUCTS.

2008 — Innauguration of the company Jota Representações

2010 — The company Jota Representações identified the Tapioca with a strong consumption trend for Brazilian population

2011 — Birth of the Grupo Da Terrinha, which main selling products a.i. the hydrated cassava starch, the Tapioca

2015 — Innauguration of the manufacturing plant. **8.000m²**

2016 — First commercial add is vehiculated

2017 — Launch of new products

2018 — 4th attendance in the APAS

2019 — Expansion of the manufacturing site to over 20 thousand square meters

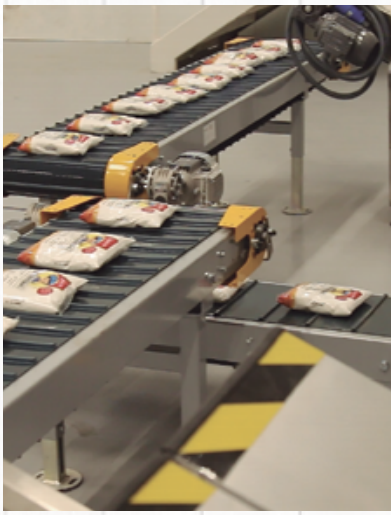
SINCE THE BEGGINING, THE DA TERRINHA GROUP...

... has been through several innovation processes, reaching a high quality in the segment of hydrated tapioca gum and is today presente in over 15 Brazilian states and also abroad.

Withou any conservative, it is a 100% natural product, gluten free, and do not have to be passed through sieve which has contributed for it to be, today, part of the diet of millions of people.

Beside the main product the tapioca today the Da Terrinha Family of products includes a line of crackers, shreeded potato, grape juice, sweet condensed milk, panettones, spices, coffee, flours, coconut derivatives, saules, seasonings, healthy snacks and handmade manioc crumbs. Products that are made with natural ingredients and all typically Brazillian.

Our mission is to bring to customers a healthy and practical mix of products.



Details of the Tapioca's production line, ***Da Terrinha Alimentos*** *– São Paulo, Brazil.*
